

VISIANO 10

Reduced to the essentials. VISIANO 10

The VISIANO 10 is an examination light that is reduced to the essentials, but which does not have to do without professional lighting technology. The illuminance, with 50 000 lux at a distance of 0.5 m, is suitable for general examinations but also for intensive care and neonatology. The ergonomic handle makes it easy to align the light field.

VISIANO 10 – variations

VISIANO 10 P

pin version | with accessory roller stand

Various connections

The VISIANO 10 can be combined with Derungs accessories. Depending on the requirements, it can be fixed directly to the wall by means of a wall mount or a rail mount. The Derungs roller stand is suitable for mobile use.

Easy cleaning

Thanks to its closed and minimalistic design, the VISIANO 10 can be cleaned in a time-saving manner. Dust and liquids cannot enter the interior. This means that nothing stands in the way of long-lasting use.
