

# VISIANO 20

VISIANO 20	technical data
luminous power *	60 000 Lux @ 0.5 m
colour temperature *	3 500 K & 4 500 K
lighting field @ 1.0 m *	Ø 21 cm
colour rendering index	Ra > 95
usage	touch panel on light head
class of protection	ceiling version: I pin version: II
protection rating	IP 20

## Outstanding in design and function. VISIANO 20

The VISIANO 20 is the premium product for general examinations. The light output of 60 000 lux at a distance of 0.5 m is outstanding in this class. This makes it suitable for versatile applications: general medicine, dermatology, gynecology, urology, neonatology and anesthesia. But also in intensive care, emergency and in the preparation for surgery, it provides excellent illumination and LEDs in two different light colours.

VISIANO 20 C ceiling version

VISIANO 20 P pin version

## Versatile use

The mounting options leave nothing to be desired: The VISIANO Pin version can be combined with versatile accessories e.g. roller stand, rail mount, wall mount. The ceiling version rounds off the mounting options.

## High quality lighting technology

VISIANO 20 is equipped with LEDs in 2 colour temperatures as standard. The special optics provide glare-free and homogeneous illumination field. High-quality materials and long-life LEDs ensure a flawless use.

## Product highlights

Colour change for optimal contrast vision

Unique diamond optic for best colour homogeneity of the light

360° turnover axis for maximum light availability

Spring-relieved friction joint for secure hold
